

**PRODUCT DATA SHEET****WASTEWATER TREATMENT****PRODUCT INFORMATION :**

- Synergistic blend of selected non-pathogenic microbes with non-toxic formulation of biological activators, which digest hydrocarbon, oil and grease and organic molecule
- Neutral pH, non-corrosive, non-hazardous, non-flammable
- Reduce BOD, COD and TSS levels in wastewater
- Reduce odor in wastewater facilities, lift stations, holding ponds and landfill application
- Enhance the efficiency of wastewater treatment

**DIRECTIONS :**

1. Pump out the septic tank or consolidate tank prior to starting the initial treatment
2. Apply KEEEN at selected pumping stations collection lines as far up the line from the treatment plant as possible using a metering pump or automated drip system at the proper rate depend on waste loading

**REMEDiate THESE AND MORE :**

Benzene, Gasoline, Cutting Fluids, Fuel Oils, Jet Fuel, Lubricating Oil, Glycols, Diesel, Hydraulic Oil, Skydrol, Grease, and Motor Oil

**NOTE :** limit the use of bleaches, sanitizers, and other strong chemicals as they can limit or eliminate the effectiveness of the microbes.

**CAUTION :** KEEP OUT OF REACH OF CHILDREN. Do not take internally. Avoid contact with eyes. Wash thoroughly after handling. Avoid breathing mist. May irritate eyes or respiratory system. Use with adequate ventilation.
